INDIVIDUAL TICKETS & PASSES

HOOPLA TICKET PROGRAM

Military tickets give active-duty servicemen and their families unmatched visibility, recognition, and appreciation for the United States Air Force and Wright-Patterson Air Force Base. A student ticket provides a one-of-a-kind experience for an underprivileged child from the Dayton region to attend an NCAA Tournament game; in many cases, the student's first college basketball game. We use these tickets to demonstrate our appreciation to the military heroes serving our country and underserved youth in our region, while supporting our Dayton communities.

Each **\$1,000** raised for the Hoopla Ticket Program provides **80** tickets to Wright-Patt Airmen and students.

HOOPLA CENTRAL PASSES

The new venue for Hoopla Central at Carillon Park proved successful. Guests enjoy some of Dayton's rich heritage in aviation, business development and Ohio borne patents while connecting with over 350 community partners. They increase their brand awareness. They enjoy delicious and creative food stations. All because The Big Hoopla NCAA First Four basketball games continue to be showcased by Dayton's collaborative spirit and affinity for our military heroes.

\$50 each - with sponsorship commitment
